COURT ETIQUETTE

1. When play is in progress, please avoid retrieving balls from another court and refrain from requesting the ball to be returned.
2. When leaving the courts, please avoid walking across other courts while play is in progress. Instead, wait for a suitable break.
3. Balls hit out of the grounds must be retrieved where permission is not required (e.g. in the road or churchyard). It is advisable to leave balls hit into private gardens, unless permission to enter is readily available.
